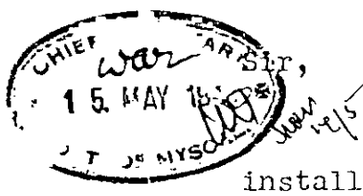
DAMAGE TO TELEPHONE No.2591.



Sir,

I have the honour to state that ~~the~~ Telephone No.2591 installed in this office was found damaged on 4-3-1942. On enquiry, it was ascertained that one of the peons on night duty dropped the instrument by accident while cleaning the table on which it was placed. The peon is no longer working in this office. As a phone was found very necessary, the Superintendent, Bangalore Power & Lighting was requested to fix up another phone.

On 26-7-1942, the Clerk on night duty in the office, received a phone call at 2 A.M., regarding the sounding of the sirens at the Binny Mills. He answered the call and after replacing the receiver, accidentally tripped against the connecting wire causing damage to the receiver. A new one was got replaced in its place and the Telephone instrument has been fixed to the table to prevent recurrence of such incidents.

A bill for Rs.115/- towards the cost of the two telephones broken has been received from the Superintendent, Bangalore Power & Lighting, for payment. As the damages caused were accidental, I request that sanction of Government may kindly be accorded for payment of the amount and the expenditure debited to the contingencies of the office.

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with Compliments

Inspector-General of Police.

A.R.P. Officer,
